Appraisal

- Appraisals must meet FNMA's appraisal standards, including Uniform Appraisal Data Set (UAD) specifications and field-specific requirements. Reduced appraisals are not allowed.
- All Appraisals must include COLOR photos.
- Properties in excess of the predominant value of the subject market area are acceptable if supported by similar comparables and represent the highest and best use of the land as improved.
- Transferred appraisals must be less than 60 days old at the time of transfer (less than 120 days at closing) and ordered through an Appraisal Management Company.
- Loans \leq \$2 million require only one appraisal.
- Loans $>$ \$2 million require 2 full appraisals. The lesser of the two values will be used for valuation for the loan file.
- An appraisal review report is required for loans with only one appraisal. If the review valuation is less than 90% of the appraised value, then the LTV will be calculated using the lower value. If one of the review options listed below are not available, then a second full appraisal is required. Valuation review report options when the CU score is 2.5 or higher:
 - Collateral Desk Top Analysis (CDA), Appraisal Risk Review (ARR) (from Pro Teck), or similar independent vendor.

ARM Data

Index	30 Day Average SOFR (Secured Overnight Financing Rate)
Margin	3.75%
Floor	The margin is the floor
Conversion Option	Non-Convertible
Periodic and Life Cap	5/6 ARM: 2% initial cap, periodic cap is 1%, lifetime cap is 5% 7/6 ARM: 5% initial cap, periodic cap is 1%, lifetime cap is 5%
Interest Rate Change Date	Rate is fixed for 5 or 7 years and changes every six months thereafter

- A cash-out purpose letter is required.
- Sale Restriction – property must be removed from listing for at least 31 month prior to application.
- Properties listed for sale or purchased within the last 6 months at application (Note to Note) require a 5% reduction in LTV
- Properties that have been listed by the current owner within the last 3 months will have the LTV based on the lesser of the list price or the appraised value.
- LTV/CLTV Limit. If the subject property is owned for less than 6 months (Note to Note) at the time of application, then the LTV/CLTV will be based on the lesser of the original purchase price plus improvements or current appraised value.
 - Proof of Improvements is required
 - Proof of Purchase Price is required as evidenced by the prior Closing Disclosure.
- No waiting period if the borrower acquired the property through an inheritance or was legally awarded the property through a divorce, separation, or dissolution of a domestic partnership.

Construction to Permanent Financing

Construction conversion refers to the replacement of interim construction financing with a long-term mortgage.

- PHH does not provide interim construction financing.
- 1-time close construction conversion loans are not allowed
- 2-time close construction conversion to pay off an interim construction loan is acceptable

Credit Considerations

Credit scores – A minimum of 2 credit scores are required to be provided and used to determine the qualifying credit score for loan approval. Methodology of which FICO score to use is as follows:

# Of Borrowers	# Of Scores per Borrower	Methodology
1	2 or 3	Lower of 2 or the middle of 3 FICO scores
2 or more	2 or 3	<ul style="list-style-type: none"> • Primary wage earner’s lower of 2 or middle of 3 FICO scores • If 2 of the 3 scores are identical – that score is used to Qualify • If borrowers are 50/50 owners and income is equal, use the higher of the middle scores

Other credit requirements:

- The maximum age of the credit report is 120 days. A gap or undisclosed debt notification (UDN) report within 10 days of the note date is required. The age of the document is measured from the date of the document to the date of the Note.
- Minimum 12 months of housing payments required with maximum delinquency of 1x30x12. A VOM/VOR is required for all the borrower’s outstanding mortgages or rent paid. See the PHH Seller Guide for documentation options, including

Refer to the PHH Seller Guide for questions not addressed in this product description.

alternatives for borrowers with < 12 months of housing history.

- Properties owned free and clear by the borrowers are considered as a 0x30 housing history for each month the property has been owned free and clear.
- Tradelines
 - 3 open and active for >12 months OR
 - 2 open and active for >24 months OR
 - Authorized User accounts may be counted toward the tradeline requirement when another borrower on the subject transaction is the owner of the tradeline, the borrower is an authorized user on a spouse’s tradeline, or when the borrower can provide proof, they have made at least 50% of the payments on the tradeline for the most recent 12 months preceding the application.
- Credit Inquiries in the last 90 days require a written explanation.
- Borrowers living rent free at their primary residence may be eligible if they live with a non-borrowing spouse – a rent free letter and evidence of acceptable 12 month housing payment history from the non-borrower spouse is required.
- Debt Monitoring – an undisclosed debt notification (UDN) is required within 10 days of closing.
- Bankruptcy, Foreclosure, Short Sale, or Deed-in Lieu significant derogatory credit events must be seasoned 36 months.
- Forbearance, deferred payments, or modifications – Not Allowed with the exception of COVID and the loan must be released and fully current
- Open Judgements, Garnishments, or Liens – must be paid off prior to closing
- Credit Counseling – allowed with restrictions. Must have a minimum of 12 months elapsed on the plan. See PHH Selling Guide for additional requirements.
- Collection accounts and charge offs must be paid in some circumstances. Refer to the PHH Selling Guide.
- Past due accounts must be brought current.
- Business Debt- Business debt is typically a financial obligation of a business. However, business owners can sometimes be personally responsible for that debt as well. If business debt is reflected on a personal Credit Report. If the business debt facility is less than 6 months old, then the payments must be included in the debt -to-income ratio. If the business debt is greater than, or equal to 6-months old, the debt may be omitted from the debt-to-income ratio if the borrower provides documentation that the borrower’s business is making the payments on these debts.
- Contingent Liabilities- An individual has contingent liabilities when an outstanding debt obligation has been assigned to another party, but the creditor has not released the borrower from the obligation. Contingent Liabilities must be included in DTI.
 - Excluded from DTI: If one borrower was obligated to buy-out the other borrower as a result of a divorce, then the loan file should include the Separation Agreement and or the Divorce Decree/Court Order that shows transfer of ownership. In addition, the current obligation on the premise must be current.
 - Excluded from DTI: Debts paid by others can be excluded from the DTI ratio if the debt is being paid in a satisfactory manner by another party for the past 6 months. Acceptable documentation would include cancelled checks or bank statements that consistently show another party making at least the past 6 payments.

General Acceptable Verifiers

Verification must be from a third party, such as a CPA or a third-party licensed tax preparer, a Regulatory Agency, or an applicable business verification of the business to include a phone listing and address using a third-party, i.e., Internet Search.

PTIN preparers are not permitted.

Business income from a C-Corp cannot be considered unless the borrower is 100% owner of the corporation – if that is the case only the borrower’s wage income can be used.

If the Schedule K-1 provides confirmation that the business has adequate liquidity to support the withdrawal of earnings, no further documentation of business liquidity is required.

If the Schedule K-1 does not support adequate liquidity, the most appropriate liquidity formula based on how the business operates should be used to determine liquidity:

- Quick Ratio is appropriate for business that rely heavily on inventory to generate income. This test excludes inventory from current assets in calculating the proportion of current assets available to meet current liabilities.

$$\text{Quick Ratio} = (\text{Current Assets} - \text{Inventory}) / \text{Current Liabilities}$$

- Current Ratio (also known as the Working Capital Ratio) may be more appropriate for businesses not relying on inventory to generate income.

$$\text{Current Ratio} = \text{Current Assets} / \text{Current Liabilities}$$

Loan to Value Calculation and Seasoning

Declining Market: Properties that are in a declining market as designated by the appraiser may be subject to reductions in LTV/CLTV regardless of transaction type. See Declining Markets section.

Purchase:

- Calculate LTV/CLTV/HCLTV based on lesser of the purchase price or appraised value of the subject property.

Refinance, Rate/Term:

- If the borrower has less than six (6) months ownership in the property, the LTV for a refinance transaction is calculated on the lesser of the purchase price plus documented improvements, or the current appraised value.
- Property acquired through inheritance or legally awarded through a divorce, separation, or dissolution of a domestic partnership may use current appraised value.
- If the borrower has owned the property for six (6) months, the LTV is based on the current appraised value.
- Properties listed for sale must be removed from the listing at least one month prior to the application date. LTV will be based on the lesser of the list price or appraised value when listed within the last 6 months by the current owner.

Refinance, Cash-Out:

- Minimum of 180 days ownership prior to application date is required.
- The LTV for a Cash-Out Refinance transaction is calculated based on the current appraised value.

Refer to the PHH Seller Guide for questions not addressed in this product description.

- Properties listed for sale or purchased within the last 6 months (Note to Note) require a 5% reduction in LTV

Delayed Purchase Cash-Out Refinance:

- Allowed for Primary Residence only
- The LTV is calculated based on the lesser of the purchase price or current appraised value of the subject property. Original appraisal cannot be used regardless of age.

Definitions

Rate/Term Refinance – The new loan amount is limited to the payoff of the present first lien mortgage, any seasoned non-first lien mortgages, closing costs, prepaid items, buying out a co-owner pursuant to an agreement, and court ordered buyout settlements. Cash-out to the borrower cannot exceed the lesser of 2% of the principal balance, or \$5,000.

- Prepayment fees may be included
- Closing costs must be reasonable and within market standards
- The maximum cash-out to the borrower reflects both cash in hand, the payoff of miscellaneous debts, and is net of fees and other related closing costs.

A seasoned non-first lien mortgage is either a purchase money mortgage or any other closed end or HELOC mortgage that has been in place for more than 12 months and has no draws greater than \$2,000 in the past 12 months. Withdrawal activity must be documented with a transaction history from the HELOC.

Delayed Purchase Cash-Out Refinance – Per FNMA guidelines, except that the LTV/CLTV is based on the lesser of the purchase price or current appraised value.

Cash-Out Refinance – Any transaction that does not qualify for a Limited Cash-Out Refinance or Delayed Purchase Refinance is considered a Cash-Out Refinance.

Continuity of obligation is required for all refinance transactions.

Mortgage Insurance
