Appraisal

- Appraisals are good for 120 days and may be recertified for up to 180 days
- Two full appraisals are required when the loan amount $\geq \$2,000,000$ AND $>65\%$ LTV/CLTV
- Appraisals with condition or quality rating of C5 or C6 will not be accepted
- Transferred appraisals are acceptable when not ordered by the buyer or seller
- Minimum of 2 comparable sales that were exposed to MLS are required, anything >1 mile needs an explanation
- Form 1007 Schedule of Rents is required for all Non-Owner-Occupied loans on Single Family residences
- For 2-4 Unit Properties a FNMA (Fannie Mae) 1025 Small Residential Income Property Appraisal Report is required
- Reconsideration of Values for value or rent are required to be submitted for preapproval
- Row homes are subject to additional scrutiny, particularly when combined with significant negative property influences. PHH reserves the right to purchase at its sole discretion.
- Fannie Mae Collateral Underwriter (CU) Reports
 - No 3rd party review required (desk review or second appraisal) if CU Score is 2.5 or below
- Loans that do not meet an acceptable CU score require a desk review or other third-party valuation product (desk review or second appraisal):
 - PHH will accept a desk review within $\pm 10\%$ variance of original appraised value from approved TPR valuation vendors.
 - Desk review variance may not exceed $\pm 5\%$ for loans at 90% LTV.
 - Approved Desk Review Vendors:
 - Consolidated Analytics
 - Clear Capital
 - Service Link
 - Stewart Lender Services
 - Summit Valuations
- When two appraisals are required, they do not require a separate review product. The lowest value of the two appraisals is used as subject property value.

Credit Considerations

Tri-merged in file credit report from all three repositories is required.

Credit scores – A minimum of 2 credit scores are required to be provided and used to determine the qualifying credit score for loan approval. No borrower can have a middle FICO score less than 660.

Methodology of which FICO score to use is as follows:

# Of Borrowers	# Of Scores per Borrower	Methodology
1	2 or 3	Lower of 2 or the middle of 3 FICO scores
2 or more	2 or 3	Primary income earner's lower of 2 or middle of 3 FICO scores

Other credit requirements:

- The maximum age of the credit report is 120 days. A gap or undisclosed debt notification (UDN) report within 10 days of the note date is required. The age of the document is measured from the date of the document to the date of the Note
- Minimum 12 months of housing payments required with maximum delinquency of 0x30. A VOM/VOR is required for all the borrower's outstanding mortgages or rent paid
- Tradelines
 - If the primary wage earner has 3 credit scores, the minimum tradeline requirement is waived for all borrowers.
 - Each borrower must have 2 tradelines or joint applications must have a total of 3 tradelines combined, rated for at

Refer to the PHH Seller Guide for questions not addressed in this product description.

- least 12 months, with activity in the last 24 months
- May be opened or closed
- Eligible tradelines cannot have any derogatory history in the last 24 months
- Current housing not reporting on credit can be considered an open tradeline if supported by bank records (cancelled checks or statements)
- Authorized User accounts will not be counted toward the tradeline requirement.
- Debt Monitoring – an undisclosed debt notification (UDN) is required within 10 days of closing.
- Bankruptcy, Foreclosure, Short Sale, or Deed-in Lieu significant derogatory credit events must be seasoned 48 months based on discharge or dismissal date.

Documentation Types**

Full Doc

- Full Documentation
- Streamline Documentation

Alt Doc

- Bank Statements
- 12/24M P & L
- WVOE (Max 80% LTV Purchase, 70% Rate/Term & Cash Out, Minimum 680 FICO, Max \$1.5MM)

Flex Option (AUS)

**When using component sources for a single borrower, pricing and qualification is based on the worst-case document type. i.e.: If borrower is using tax returns and Asset Utilization is used to qualify, that pricing and matrix limitations apply.

Employment and Income

Full Doc

- **Full Documentation – Wage Earners**
 - Most recent 30-day paystub including YTD earnings OR Electronic VOE
 - 2 years W2's or transcripts
 - Written VOE if needed to document overtime, bonus or commission
 - Verbal Verification of Employment completed within 10 days of closing
- **Full Documentation - Self-employed borrowers**
 - Ownership percentage must be documented via CPA letter, Operating Agreement, or equivalent
 - CPA, EA, CTECH must be independent 3rd party and have no relationship to borrower (PTIN are not acceptable)
 - Two years personal & business tax returns (along with all schedules and K-1's)
 - A year-to-date P&L is required if the application is dated more than 120 days after the end of the business tax year
 - If a gap exists between the tax return ending date and the start date of the YTD P&L, a gap-year P&L is also required. The qualifying income is determined from the tax returns, the P&L is used to determine the stability of that income. The bank statements for the two most recent months must reflect deposits that support the sales from the P&L and the qualifying income from the priors' years tax returns.
 - Borrowers recently transitioned from W2 to 1099 and contracted by the same employer in the same position do not require 2 years 1099s if the employer provides documentation the borrower will not be responsible for additional expenses, i.e. contract.

Refer to the PHH Seller Guide for questions not addressed in this product description.

- Borrowers who remained in the same industry but transitioned from W2 to 1099 with a different company must be in their current position for at least 1 year.
 - Net operating losses may be excluded when evidenced on business returns
 - A Company name change, or re-organization is considered continuous if within the last 2 years or restructured (i.e. from sole proprietor to LLC, S-Corp, etc.)
 - Self-employed borrower (> 25% ownership) paying themselves by W-2s or K-1s are acceptable. However, the income analysis should not be based on K-1 or W2 Wages. The analysis should be on the business entity, and the net income multiplied by the borrower's ownership % should be used to qualify.
 - Declining income over the last 2 years may be utilized for qualifying with signed letter of explanation from the borrower. The lower of the 2 years would then be used to qualify unless the income has stabilized over the most recent 6 months.
 - In the case where taxes have not been filed and the tax transcripts are not available from the IRS, the IRS response to the request must reflect "No Record Found" and be present in the loan file.
 - Must document that the taxes have been filed via evidence of e-filing, tax refund, or proof of payment.
 - Evidence of any IRS filing extensions must also be present in the loan file.
 - Independent verification of the business through a third party such as a CPA, regulatory agency, or applicable licensing bureau. (PTIN are not acceptable)
 - Verification of business existence and that the business is fully operational/active required withing 10 calendar days of closing.
- **Streamline Documentation for Wage Earners**
 - 1 Yrs. W2s or 1099
 - 1099 generally limited to 1 employer and requires the employer to confirm no job-related expenses, if this is not able to be confirmed a 10% expense factor will be applied.
 - In cases where the borrower receives multiple 1099's, they must be in an industry where this is a common occurrence (entertainment, medical contractor, etc.)
 - Most recent paystub YTD Paystub covering past 30 days
 - Interest, dividends, capital gains may NOT be considered as income
 - 4506-C W2 or 1099 transcripts (If 1040 transcripts are provided, W2/1099 transcripts are not required)
 - Verbal Verification of Employment must be completed within 10 days of the closing date.
 - Borrower who is no longer employed at the same employer listed on the initial 1003 is not eligible
- **Streamline Documentation for Self-employed borrowers**
 - Income from self-employment is considered stable and effective if the borrower has been self-employed for two or more years. Less than 2 years of self-employment history can be considered with documentation of at least two years' employment history in the same line of work or a related profession. Less than one year may not be considered as effective income.
 - 1099's must be issued to the individual borrower (If the borrower is an entity being used to qualify, the 1099 must reflect the entity as the payer and the guarantor as the recipient). The borrower must have 100% ownership of the entity for the period of the 1099 being reviewed.

Document Requirements:

- Ownership percentage must be documented via CPA letter, Operating Agreement, or equivalent
- CPA must be independent 3rd party and have no relationship to the borrower (PTIN are not acceptable)
- One year's personal & business tax returns (along with all schedules and K-1's)
- A year-to-date P&L is required if the application is dated more than 120 days after the end of the business tax year.
 - If a gap exists between the tax return ending date and the start date of the YTD P&L, a gap-year P&L is also required. The qualifying income is determined from the tax returns, the P&L is used to determine the stability of that income. The bank statements for the two most recent months must reflect deposits that

Refer to the PHH Seller Guide for questions not addressed in this product description.

support the sales from the P&L and the qualifying income from the priors' years tax returns

- All borrowers must also provide evidence that business has existed for at least 2 years via CPA/Tax Professional letter, confirmation from regulatory or state agency.
- Not permitted as qualifying income: Interest, Dividends, Capital Gains, etc.
- Borrowers recently transitioned from W2 to 1099 and contracted by the same employer in the same position do not require 2 years 1099s if the lender provides documentation the borrower will not be responsible for additional expenses, i.e. contract.
- Borrowers who remained in the same industry but transitioned from W2 to 1099 with a different company must be in their current position for at least 1 year.
- 1099 expense ratio should be reasonable for the profession, only borrowers with no office space, employees, cost of goods, etc. are eligible for 1099 doc type. Rideshare drivers like Uber, Lyft and the like are ineligible for the 1099 program. Borrower's paid by multiple 1099's are considered Self Employed and are qualified using 12- or 24 months bank statements.
- Net operating losses may be excluded when evidence on business returns
- A Company name change, or re-organization is considered continuous if within the last 2 years or restructured (i.e. from sole proprietor to LLC, S-Corp, etc.)

Alt Doc – Bank Statements

- Bank Statement loans submitted with tax returns or tax transcripts must follow Full Documentation guidelines
- Any loan using qualifying income from Bank Statements with evidence of tax returns or tax transcripts will be ineligible
- Borrowers who are using more than 3 businesses to qualify must use Personal Bank statement option
- The bank statement program is designed for active, U.S. based operating businesses. Passive income from crowdfunding, real estate investors (with fewer than 5 residential units), venture capitalists, asset speculation, day trading and the like are considered ineligible from business bank statement income.
- Real Estate Investors with fewer than 5 residential units are eligible under Full Doc using lease agreements and proof of rents received

Document Requirements:

- 12-or 24- months personal or business bank statements from a regulated U.S. financial institution
 - Bank statements should be most recent available at time of application but never more than 45 days prior to application.
 - Transaction history printouts are generally not acceptable.
 - FinTech statements are ineligible unless uses for reserves
 - Multiple bank accounts may be used. More than 3 separate business accounts must use personal bank statements.
 - Most recent 3 months deposits should generally not represent the majority of annual income.
- Business Narrative
 - Borrower must provide a business narrative which includes detail related to the size/scope and operating profile of the business, including the following:
 - Description of Business/Business Profile
 - Locations
 - Number of Employees/Contractors
 - Description of Goods/Materials
 - Materials/Trucks/Equipment
 - Commercial or Retail client base
 - An internet search of the business is required to support the business narrative, an Underwriter certification (or notation on the 1008) if there are no returns when attempting an internet search.

Documentation Analysis:

- Unusually large deposits in bank accounts being used to qualify may require a letter of explanation or evidence they are business related (greater than 50% of the average monthly deposits)

Refer to the PHH Seller Guide for questions not addressed in this product description.

- Declining Income may require an LOE
- NSF/Overdrafts should be covered with deposits shortly after they are incurred.
 - No more than 5 in the most recent 12 months.

Business requirements:

- Validation of at least 2 years of the business from one of the following: Business License, Letter from Tax Professional, Secretary of State Filing or equivalent.
 - Less than 2 years of self-employment history can be considered with documentation of a minimum of two years of employment history in the same line of work or a related profession. Less than one year may not be considered as effective income.
- Ownership percentage of borrower(s) must not be less than 25% and be documented via CPA letter (without qualifying language), Operating Agreement, or equivalent
- A company name change or re-organization is considered continuous if within last 2 years or restructured (i.e. from sole proprietor to LLC, S-Corp, etc.)
- Any change of ownership percentage must be seasoned at least 12 months
- Borrowers paid by multiple 1099s are considered Self Employed and are qualified using 12- or 24-month bank statements.

•

Personal Bank Statements

Option 1: Personal bank statements with evidence of business bank account.

- 100% of business deposits in a personal bank account can be used.
- Provide the most recent 2 months business statements to validate deposits are from the borrower owned business bank account. (Only giving credit for transfers from the business; or receipt of payroll from business and distribution only)

Option 2: Personal bank statements with no business bank account

Comingled business and personal with no business account for non-service businesses are considered as business bank statements with the appropriate expense factor (20% Service Business, 50% non-service business) applied.

- Deposits from self-employment business only, will be included into bank statement calculation
- A trend of repeated expense not reported on the credit report may need additional explanation and may be considered a liability

Qualifying Income:

- Qualifying is total eligible deposits divided by 12 or 24 months

Business Bank Statements

- Transfers from other bank accounts into the business bank accounts will require conclusive evidence that the source of transfer is business related income
- Borrowers who are using more than 5 separate bank accounts must qualify using personal bank statements
- Customary business debt such as auto or a business credit card may be excluded from the DTI when evidenced of 6 months payments made from the business statements. Mortgage debt may not be excluded from DTI when paid by the business.
- Qualification (must use one of the following two options):
 - The expense ratio should be reasonable for the profession - for all qualifying methods.
 - *Example:* A home-based sole practitioner consultant can be expected to have a lower expense ratio, while a retail business that has a full staff of employees, fleet of vehicles, and relies heavily on inventory to generate income will have a higher expense ratio. To the extent that the lender has evidence or other reason to believe that the reasonable expense ratio for a business is higher than the Fixed Expense Ratio methodology, PHH may determine, in its sole discretion, may require the borrower to follow Option 2.
- PHH reserves the right to request additional information, including 1040, 1120, and 1065 tax documentation.
 - The expense ratio should be consistent with the revenue and expenses in the business bank statements.

Refer to the PHH Seller Guide for questions not addressed in this product description.

- Businesses that have significant pass-through revenues, such as retail businesses that perform check cashing services or sell lottery tickets, or investment firms that receive outside investment capital, may be ineligible

Loan to Value Calculation and Seasoning

Purchase - Calculate LTV/CLTV/HCLTV based on lesser of the purchase price or appraised value of the subject property. Borrowers with no investment properties retaining their departing residence require preapproval and may be assessed 12 month EPO and/or subject to lock price cap.

Continuity of obligation is required for all refinance transactions and is based on the note date.

Rate/Term Refinance – The new loan amount is limited to the payoff of the present first lien mortgage, any seasoned non-first lien mortgages, closing costs, prepaid items, and court ordered buyout settlements. Cash-out to the borrower cannot exceed the lesser of 2% of the principal balance, or \$2,000.

- Prepayment fees may be included
- Closing costs must be reasonable and within market standards
- The maximum cash-out to the borrower reflects both cash in hand, the payoff of miscellaneous debts, and is net of fees and other related closing costs.
- If the borrower has less than six (6) months ownership in the property, the LTV for a refinance transaction is calculated on the lesser of the purchase price plus documented improvements, or the current appraised value.
- Property acquired through inheritance or legally awarded through a divorce, separation, or dissolution of a domestic partnership may use current appraised value.
- If the borrower has owned the property for six (6) months, the LTV is based on the current appraised value.
